Testimony

What does being in the 250 Club mean to you?

“To us, it means that we are being more consistent with our sales and doing a good job of converting more 25X sales to online customers. It’s also nice to be recognized and know that our hard work is being rewarded in a special way!”

Tina Bickett

Testimony

What advice would you give someone who is brand new to TLC to qualify for the 250 Club?

“Connect to the system, duplicate, constantly persevere, and look for the source that will give you the most results. People do business in different ways, like I go live on TikTok. But this is a topic that is about belief and faith. If you have faith and focus your energy on what you are developing, things will happen. If you are a good person, all that remains is to act, and the results will come on their own.”

Anthony Henao Ayala
