LEADERSHIP

***Everything rises and falls

PERSONAL DEVELOPMENT

***One bad action can damage

Self-awareness is the key to
personal development.***

FEAR VS BELIEFS

CULTURE IS PLANNED

25X SUCCESS STORIES

How has duplicating 25X System impacted your business?

"The 25X System has really gotten my team fired up with sharing more one-week supplies of cleansing tea than we have ever shared. Knowing that they can earn more money with the 25X System has given my team more energy, knowing that they can have extra money to reinvest in their business and help pay their bills."†

Why would you recommend the 25X System to a new distributor?

"Recommending the 25X System to new Life Changers is so important. I love showing my new distributors how the cost of \$225 for the 25X Business Builder Pack can allow them to profit \$400 in return! Because more Life Changers are learning this system, I'm seeing more people drinking the brew tea than ever and getting week-to-week results instead of thinking of a long-term goal and giving up."†
